

# New Inspiring Job Opportunity

National Youth Advocate Program (NYAP), is seeking an individual with unique experience who will support the efforts of the Parent Coach by providing mentoring through first-hand experience to clients whose children have an open case with Franklin County Children Services.

## Peer Parent Mentor Needed

In this role, you will share your first-hand, personal journey through the child welfare system. You will mentor, encourage, support and work with our clients who are navigating through the program by sharing your experiences, and working towards the ultimate goal of helping the family close their open cases with Children Services.
